

Product Description

EVERCLEAN is a specially formulated microbial cleaner and degreaser ideal for removing and remediating fats, oils, grease, proteins, cellulose, starch on concrete surfaces or epoxy/urethane coated surfaces. It contains a liquid bacterial solution that is fortified with enzymes which accelerates the breakdown of organic residue.

Key features and advantages

- Safely removes fats, oil, and grease without etching the concrete surface / contains no caustics or acids.
- Product does not need to be neutralized and will not leave residue.
- Helps to provide long-term odor control by removing organics that cause odor.
- Perfect choice for cleaning restaurants, bathrooms, and food processing facilities where drain lines and grease traps are problematic.

Environmental Approvals / Certificates

- Meets CFIA and USDA requirements for food contact / use in food plants.
- Contains clean ingredients meeting EPA Safer Choice Standards for consumers.
- VOC exempt / Readily biodegradable.
- DOT: Not Regulated / REACH compliant.

Product Properties

Packaging:	18.9 L pail
Recommended Usage:	1250 square feet per 5-gallon pail / also depends on porosity of concrete / DO NOT DILUTE!
Shelf Life:	2 year when stored in original, unopened packaging. Store dry at temperatures between 15°C to 30°C (59 °F to 86 °F). Protect product from freezing.

Product Application

EVERCLEAN can be applied by spray, mop, or by directly pouring the product onto dirty or greasy surfaces. Once the area is completely covered, brush and agitate the product on a regular basis using (e.g., a deck brush, hard bristle broom, or mechanical scrubber) to help spread out the microbes that break down fats, oils, and grease. Do not allow the area to dry out completely. Cleaning time can range from 15 minutes for maintenance cleaning to 4 hours for a complete floor prep. Upon completion, rinse the area with water and make sure the floor is thoroughly dry before applying floor coating. Clean equipment with water.

Disclaimer and Warranty

Everflow® warrants that our products are free from manufacture defects in accordance with our quality control procedures. Any products proven defective are limited to the replacement of defective products or refund of the purchase price as determined by Everflow®.
